ABOUT OPT

OPERA PASSENGERS TRANSPORT

Here's why you should choose OPT for your daily trip

At OPT Passengers transport, our goal is to make the passengers bus booking process as simple as possible.

Call our experienced reservation specialists any time of day (yes, we're open 24/7), and we'll help you figure out what kind of bus you need and what it will cost.

But why call us and not another Passenger bus company? Here are seven excellent reasons to choose OPT:

1. We take the stress out of planning

You plan the itinerary—we'll plan the transportation. OPT Transportation can find the best charter bus or minibus for you based on the size of your group and what amenities you value.

Once you have your bus and your schedule, we'll tell your driver where the best drop-off and parking areas are.

2. We can take you anywhere (not across an ocean)

When we say "OPT can get you there," we mean it. If your starting point and your destination are within the UAE, we'll figure out how to move you from point A to point B.
